In the state of Massachusetts, employees who are under 18 (minors) are required to have a work permit. Work permits can be obtained from the Superintendent of the school department in the school district where s/he lives or goes to school.

“Minors under age 16 are legally not allowed to cook (except on electric or gas grills that do not have open flames), operate fryolators, rotisseries, NEICO broilers, or pressure cookers; operate, clean or repair power-driven food slicers, grinders, choppers, processors, cutters, and mixers; work in freezers or meat coolers; or perform any baking activities.”

“Minors under 14 cannot work in Massachusetts in most cases.”
